

The Exquisite Music of: Bruce BecVar & Laní Star "Mystic Jazz"

Mystic Jazz is one of the hottest new groups representing today's emerging trend in sophisticated Smooth Jazz, Healing and New Age music. This fresh and innovative musical collaboration blends traditional Eastern mystical sounds with tasteful Western musical arrangements.

Mystic Jazz is a sensory journey with timeless Hawaiian and Eastern mantras, magically woven together to infuse the mind, soothe the soul and heal the body. Audience members have commented on experiences of inner peace, harmony, and healing inspired by *Mystic Jazz's* blissful, musical ambiance.

Bruce BecVar is a legendary guitarist, renowned composer & multi-instrumentalist with over a dozen CD's to his credit. Bruce is most known for his best selling album, *The Magic of Healing Music*, created for Deepak Chopra. This popular three-album series is based on musically balancing the three ancient Ayurvedic principles, Vata, Pitta and Kapha, popularized by Dr. Chopra. BecVar worked closely with Dr. Chopra and Dr. David Simon on this project. To learn more about Bruce and his musical accomplishments, visit his web site at:

Deepak Chopra: World Famous Author & Inspirational Teacher:

"I asked Bruce to compose the Magic Of Healing CD series for me. We find his music helpful in our healing work as it takes the listeners to a higher inner journey."

Ram Dass—Teacher & Author of Spiritual Classic Be Here Now:

"Laní's beautiful voice is devotionally inspired. I love to be close to her when she sings so that I can enjoy the nectar of her blissful sound."

Wayne Dyer — World Famous Author & Inspirational Teacher:

"Laní shared her beautiful inspirational music for one of my seminars. I absolutely love her heavenly voice, and would highly recommend her and Bruce's beautiful music for any event. Laní was also my daughter Sky's vocal coach and we noted a remarkable improvement with her vocal method."
